Here's a little story for you. Long, long ago, a really long time ago, rabbits were able to fly. The fact that we count rabbits in Japanese (*ichiwa, niwa*) the same way we count birds is a holdover from that time. Rabbits, flapping their big ears across the vast, clear skies of ancient times...sounds like a horror story.

-Eiichiro Oda, 1999

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

I WON'T DIE

STORY AND ART BY

EIICHIRO ODA

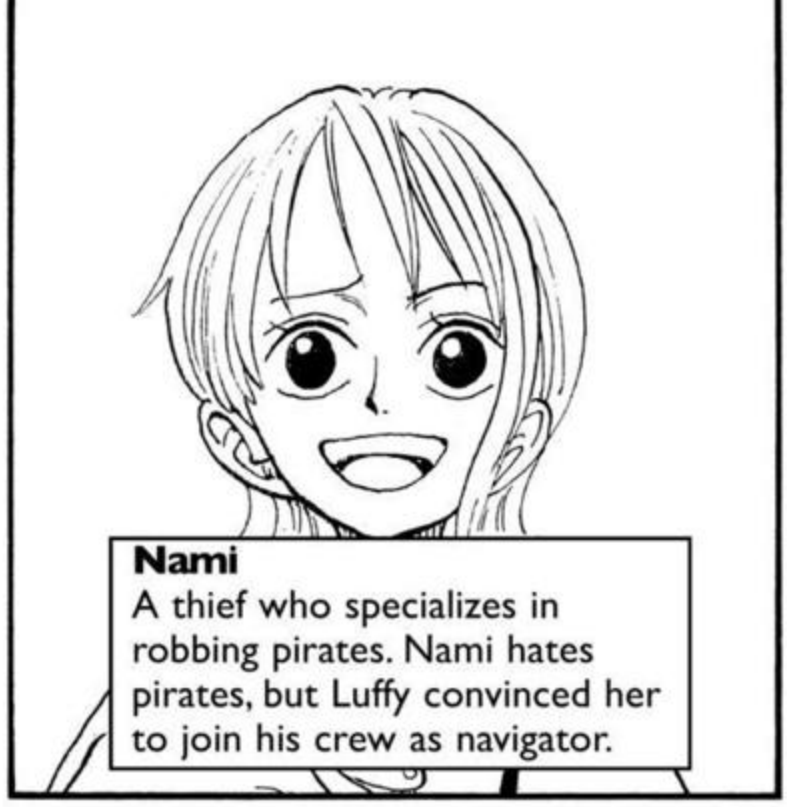
Sanji
A compassionate cook (and ladies' man) whose dream is to find the legendary sea, the "All Blue."
Monkey D. Luffy
Boundlessly optimistic and able to stretch like rubber, he is determined to become King of the Pirates.

THE STORY OF ONE PIECE

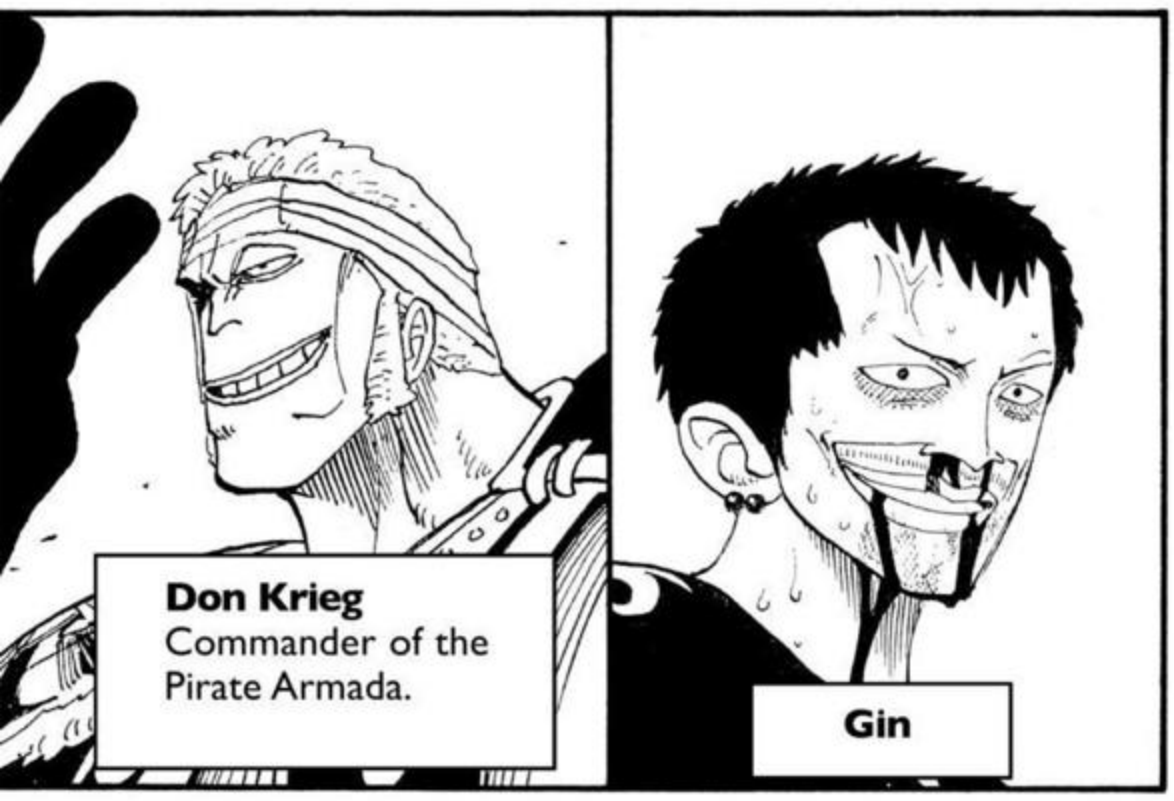
Volume 8

Monkey D. Luffy started out as just a kid with a dream – and that dream was to become the greatest pirate in history! Stirred by the tales of pirate "Red-Haired" Shanks, Luffy vowed to become a pirate himself. That was before the enchanted Devil Fruit gave Luffy the power to stretch like rubber, at the cost of being unable to swim – a serious handicap for an aspiring sea dog. Undeterred, Luffy set out to sea and recruited some crewmates: lying sharpshooter Usopp, master swordsman Zolo and treasure-hunting thief Nami.

Luffy and his crew visit the oceangoing restaurant Baratie, where they meet and befriend Sanji, the sous-chef. But the powerful and ruthless Don Krieg arrives with his pirates and declares that he wants Baratie for himself! So begins a battle royal for the restaurant ship. Sanji vows to defend the ship with his life, but when Chef Zeff is taken hostage, the situation turns desperate! Everyone wonders why Sanji is so determined to defend the ship, until he reveals a secret from the past: when Sanji was a young apprentice cook, he and Zeff (then known as "Red Shoes" Zeff, the pirate) were swept overboard by a sudden storm and cast upon a rock in the ocean! Because Sanji shared Zeff's dream, the pirate gave the boy all the food he had and ate his own leg to survive.



Nami
A thief who specializes in robbing pirates. Nami hates pirates, but Luffy convinced her to join his crew as navigator.



Usopp
The newest addition to Luffy's crew, Usopp's known for his tall tales, but he has a way with a slingshot and a heart of gold.
